Special Weather Arrangement:

When Tropical Cyclone Warning Signal No. 8 (or a higher number) and/or Black Rainstorm Signal is hoisted, the following arrangements will apply:

For classes & examinations have not yet started
➢ If Typhoon Signal No.8 and/or Black Rainstorm Signal is in force 2 hours before the course, the course will be cancelled.

For classes & examinations that have already started
➢ When Typhoon Signal No.8 or above is hoisted - Classes immediately suspend.

Fee paid are not refundable regardless of whether applicants have attended classes or not, unless the enrolled course is full or in exceptional circumstance deemed acceptable by HKPA.
Dr. CHAN Wing Leung  
MBChB(CUHK), MRCS(Ed), MHKCS, FRCSEd (Orth), FHKCOS, FHKAM (Orth)

Dr Chan completed his medical degree from the Chinese University of Hong Kong (CUHK) in 1997. He is now the Resident Consultant in Orthopaedics and Traumatology in Hong Kong Baptist Hospital and Honorary Clinical Assistant Professor of the HKU. He started practising in his interested field, hand & microsurgery, in the United Christian Hospital since 2005, and was the Associate Consultant of the Department of Orthopaedics and Traumatology. He has particular interest in hand/wrist surgery and microvascular surgery especially in the management of complex hand and wrist conditions, and special interests in upper limb reconstruction and wrist arthroscopy. He has also interests in Sports Surgery particularly knee meniscal injury and ACL injury.

Dr Chan is enthusiastic in the research and development of microsurgery, hand and wrist surgery. He was the chairman of Organizing Committee of Annual Congress 2012 by Hong Kong Society for Surgery of the Hand 2011/12 and Chairman of “Scaphoid Fracture Symposium and Workshop 2008”. He was also the Council Member of Hong Kong Society for Surgery of the Hand from 2010-2014. He has been the Course and table instructor of Hong Kong International Wrist Arthroscopy Workshop and Seminar from the Department of Orthopaedics and Traumatology, CUHK since 2010. He has particular interests in upper limb and microvascular surgery and spent the overseas training on the Master course in upper limb trauma in Switzerland in 2011, and attachment in Hand and Microvascular unit in Taiwan and USA. He has a number of publications in international journals from 2003-2013 and currently involved in various research projects.

Mr. Tsang Chi Chung, Raymond  
MScHC(PT), MMedSc(Med Stat), BA(Hons), PDPT

Mr. Raymond Tsang is the Department Manager of Physiotherapy Departments of the Duchess of Kent Children’s Hospital at Sandy Bay, Tung Wah Group of Hospitals Fung Yiu King Hospital, and MacLehose Medical Rehabilitation Centre. He had worked as the Senior Physiotherapist, clinical educator and Advanced Practitioner in Musculoskeletal Physiotherapy in the Physiotherapy Department of Queen Mary Hospital for many years. He has been involved in the teaching of hand physiotherapy of students of Bachelor and Master of Physical Therapy of the Department of Rehabilitation Sciences of The Hong Kong Polytechnic University (PolyU). Raymond is the founding fellow and Vice-President of the Hong Kong College of Physiotherapy, the adjunct Associate Professor of the Department of Rehabilitation Sciences of PolyU, part-time lecturer of the MSc/PgD Programme in Musculoskeletal Medicine and Rehabilitation, Department of Orthopaedics & Traumatology, The Chinese University of Hong Kong, the chairmen of the Hand Therapy Specialty Group and Musculoskeletal Specialty Group of the Hong Kong Physiotherapy Association.
Dr. LAU Yan Kit
MBChB, FRCS(Ed), MHKCS, FRCSEd (Orth), FHKCOS, FHKAM (Orth)

Dr Lau completed his medical degree from the Chinese University of Hong Kong (CUHK) in 1991. He is now a private Orthopaedics Specialist and Vice President of HKSSH. He has been the Honorary Clinical Assistant Professor of the HKU since 2006 and Honorary Reviewer of Journal of Orthopaedics Trauma and Rehabilitation since 2010. He started practising in his interested field, flap surgery, microsurgery, hand surgery & wrist arthroscopy in the United Christian Hospital, and was the Associate Consultant of the Department of Orthopaedics and Traumatology. He was the Head of hand division of UCH O&T department in 2013-14 and tutor of higher orthopaedic trainee – “hand and wrist problems” since 2011. He was the Leader of Kowloon East Cluster Microvascular Replantation Team, serving both UCH and TKOH emergency finger and limb replantation cases, providing 24-hour daily on call from 2008-2014. He was the organizer and table instructor of the International Microvascular Course together with Department of Surgery, UCH in Dec 2004. Dr Lau is enthusiastic in the research and development of hand and wrist surgery, microsurgery and flap surgery. He was the Chairman of scientific committee of international conference “Tetraplegic Hand 2013”, Scientific Programme in 2010 and 2011 Hong Kong International Wrist Arthroscopy Workshop and Seminar, and the Symposium of Hand Infection and Its Rehabilitation in Oct 2004. He has particular interest in Flap Surgery and experience on performing flap coverage for major upper and lower limbs and introduced new flap surgeries to UCH: Sural neurocutaneous flap, Joshi flap. He attended various flap courses in HK and USA and overseas training in world famous centers in Taiwan, Shanghai and USA. He was the table instructor in flap course held by the HKSSH. He has special interests in hand surgery and spent the overseas training on the famous Kleinert Hand Center in USA in 1998. He was also the Exchange Traveling Fellow in Japan JSSH – HKSSH in 2005. Dr Lau was invited to deliver different lectures on hand & wrist in various seminars, workshops & conferences since 2004. He has been the table instructor of HK international wrist arthroscopic workshop since 2004. He has a number of publications in international journals since 1998 and currently spent time on research projects related to flap surgery.
