

Voting for the New Executive Committee (2011 - 2013)

NOMINEES' INFORMATION

Dr. PANG Yiu Chung, Marco

I am an Associate Professor of the Department of Rehabilitation Sciences at PolyU. During my last term of service in the HKPA Executive Committee as the Chief Editor of the Hong Kong Physiotherapy Journal, I had substantially expanded and internationalized the Editorial Board of the Journal. We were also seeing an increasing number of manuscript submissions to our Journal. My passion is to further enhance the quality of the Journal so that it can gain coverage in prestigious citation indexes.

Ms. SUEN Mei Yee, Anna Bella

It is my honor to be the Honorary Secretary of the HKPA in 2009-2011. Through the planning and participation in different events, I met PTs in different settings who have been working hard in the development of our Profession. There is always full of challenges ahead when we are growing stronger, with your support again, please let me continue to serve the Profession with brave and wisdom.

Ms. WONG Kit Yee, Lavinia

Lavinia is the manager of The Centre on Health and Wellness under The Hong Kong Society for Rehabilitation. She is also the part time lecturer of the College of Life Sciences and Technology of HKU SPACE and adjunct assistant professor of Department of Rehab Science of HKPU. She was the executive committee member of the Cardiopulmonary Specialty Group of HKPA from 2008-2009.

Mr. WOO Chuen Hau, Alexander

After graduation and practising for more than 10 years, I find that my career goal is to become a teaching academic and train more physiotherapists in the future. Before I can achieve that, I decide to have more contribution in our profession by joining the editorial board, OSHRSG and executive committee of HKPA in last few years. I am sure my contribution can be further enhanced if I am elected as an executive committee member again.
