## Speaker introduction

Ms. Lee is currently practicing in the Hong Kong Sanatorium and Hospital as Senior Physiotherapist and the team leader of the physiotherapy medical team. Since her graduation, Ms. Lee has pursued further studies, obtaining masters in Cardiology and Geriatric Rehabilitation in 2005 and 2010 respectively. In 2016, she has gained the Certification of Physiotherapy and Critical Care Management provided by the Royal Brisbane Women's Hospital and Queensland Health Clinical Skills Development Service. She has also finished professional training as cancer exercise specialist in the University of Northern Colorado Cancer Rehabilitation Institute and Physiological Oncology Rehabilitation Institute. Ms. Lee is experienced in physiotherapy service in cardiopulmonary rehabilitation, acute ICU care and oncology rehabilitation. She has been actively contributing professional teaching and public education for organizations including HK Anti-Cancer Society and Hong Kong Metropolitan University.
