## **Introduction of Instructors**

### **Dr Winnie Chan**

Dr Chan is a private radiologist of Hong Kong Medical Imaging / Hong Kong Women Imaging group. She was trainer in musculoskeletal imaging when she served in public sector. She has been visiting lecturer for Master degree course in Physiotherapy in Hong Kong Polytechnic University for more than ten years.

### **Dr Li On Chee Angela**

Dr Li is a consultant for radiologist of Department of Radiology & Nuclear Medicine in Tuen Mun Hospital. She is the training head of the department and is also a trainer of subspecialty higher training in Musculoskeletal Imaging. She has been appointed to be Honorary Clinical Associate Professor in the Department of Diagnostic Radiology, School of Clinical Medicine, the University of Hong Kong since 2016.

### **Dr Wong Yung Kong**

Dr Wong is a dedicated radiologist with special interest in musculoskeletal imaging. He completed his M.B.B.S at the University of Hong Kong in 2017. Since 2018, he has been working at Tuen Mun Hospital's Department of Radiology, where he had gained extensive experience in ultrasound examinations. In 2023, he obtained his Fellowship from the Royal College of Radiology, and he recently also completed his higher training specialized in musculoskeletal imaging in 2024.
