### [Congenital Muscular Torticollis: Current Physiotherapy Management](#)

Date: 12 December 2024 (Thursday)

Time: 18:30 – 20:30

Venue: Hong Kong Physiotherapy Association Premises  
Room 901, 9/F Rightful Centre, 12 Tak Hing Street, Jordan

Speaker: Dr Amy Leung, Paediatric Physiotherapist

Dr Amy Leung received physiotherapy training in Hong Kong and obtained her PhD from the University of Queensland in 2017. She has received the prestigious Yvonne Burns Award for the best postgraduate paediatric physiotherapy research of the year. Dr Leung has published five papers in peer-reviewed international journals and presented at numerous national and international conferences, workshops, and seminars. Currently, Dr Leung holds a casual academic role at the University of Queensland. With over 35 years of clinical experience treating babies and children with developmental, musculoskeletal, and neurological conditions in Australia and Hong Kong, we are privileged to have her updating us on the current physiotherapy management for babies having congenital muscular torticollis. She assured us that her presentation would be interactive and welcomes questions and discussions.
