

HKPA × HKSI PHYSIOTHERAPY STUDENT INTERNSHIP 2026

Description

The Hong Kong Physiotherapy Association (HKPA) and the Hong Kong Sports Institute (HKSI) are offering an **exclusive 6-month internship** at the Sports Medicine Centre, where participants will gain valuable exposure to supporting elite athletes throughout their high-performance training and competitive activities.

Program Details

Participants: BSc Year 2 and Year 3 Students (**HKPA Members** only)

Format: Student Interns

Duration: 6 months (commence in Mid-Late April)

Location: Sports Medicine Centre, New Facilities Building, Hong Kong Sports Institute, 25 Yuen Wo Road, Sha Tin, N.T., HK

Requirements

- Basic knowledge in managing MSK dysfunctions
- Strong interest in sports injuries and sports medicine
- Reliable, proactive, and responsible
- Available for **12 hours per week** (Adjustments can be made to accommodate placement schedule)

Primary Responsibilities

- Assist in the operation of the Sports Medicine Centre
- Supervise rehabilitation programs
- Conduct screenings and performance testing for sports teams
- Assist in monitoring training loads for athletes returning to play
- Support data management and preparation of educational materials for athletes
