Speaker's Profile

Dr. LAM Fung **Specialist in Rheumatology**

Dr. Lam Fung is currently working as a Resident Specialist in Rheumatology at Pok Oi Hospital and Tin Shui Wai Hospital managing different types of rheumatological diseases from musculoskeletal diseases to systemic autoimmune diseases. He is also currently serving as clinical honorary tutor at The Chinese University of Hong Kong since 2022 teaching medical students.

Dr. Lam is a graduate of The Chinese University of Hong Kong in 2017. He underwent his rheumatology training across Pok Oi, Tuen Mun, and Ruttonjee hospitals, and completed his training in 2024. He was also awarded a Master's degree in Practical Dermatology from Cardiff University in 2023 studying cutaneous lupus erythematosus; and completed training in internal medicine in 2025. Dr. Lam also contributed to rheumatological research with publications in peer-reviewed journals, focusing on systemic lupus erythematosus.

Dr. HO Cheuk Man **Specialist in Rheumatology** **Associate Consultant, Pok Oi Hospital** **Honorary Clinical Assistant Professor, Chinese University of Hong Kong** **MBChB (CUHK), MRCP (UK), FHKCP, FHKAM (Medicine), FRCP (Edin)**

Dr Ho Cheuk Man graduated with an MBChB from the Chinese University of Hong Kong in 2013. He obtained MRCP (UK) in 2016, FHKCP and FHKAM (Medicine) in 2020, and FRCP (Edin) in 2025. He is a rheumatologist specialist and has been serving as an associate consultant at Pok Oi Hospital since October 2021. In addition to his clinical practice, Dr Ho serves as an honorary clinical assistant professor at the Chinese University of Hong Kong.

His main clinical and research interests include systemic vasculitis, systemic lupus erythematosus, and musculoskeletal ultrasound. Dr Ho has published multiple papers in local and international journals on topics including ANCA-associated vasculitis and therapeutic approaches in other rheumatological conditions. He currently serves as the convenor of the Vasculitis Special Interest Group of the Hong Kong Society of Rheumatology, contributing to the advancement of vasculitis care and collaboration among specialists.
