What makes us different?

We offer a premium fitness experience that goes far beyond a standard 24-hour gym. With over 800 group classes per month across all centres, we provide the variety you need to stay motivated. Push your limits with TRX and Les Mills licensed programming, or find your balance in our specialized boutique sessions—ranging from Reformer Pilates to restorative Sound Healing Yoga.

About GO24 Fitness:

Kitted out with top-tier machines from world-renowned equipment providers, GO24 Fitness caters to professionals who demand the absolute best. Our clubs are open 24 hours, giving you total flexibility to train on your own terms, whether it's a high-performance lifting session, a group class, or wellness-focused recovery. With a focus on community, transparency, and premium facilities, GO24 is where fitness fits into your lifestyle.
